

Bill Colbert is an senior Environmental Scientist in the Utah Department of Environmental Quality, Division of Air Quality, Planning Branch, Mobile Sources Section. He has worked in Mobile Sources for nearly six years and is primarily responsible for managing the Mobile Sources Section of the State Implementation Plan, coordinating with local I/M programs hosting the I/M Advisory Board, promoting Trip Reduction and Internet support for the Center for Automotive Science & Technology at Weber State University. Prior to joining DEQ, Bill served 21 ½ years in the United States Air Force, primarily working on Space, Missile & Radar systems.

Bill degrees include a Master of Science Degree in Civil & Environmental Engineering from UCLA, a Master of Arts in Education from Chapman University and a Bachelor of Science in Electrical Engineering from Ohio State University.

In addition to his job at the Utah DEQ, Bill was elected 2 ½ years ago as a City Councilor for Draper City, 25 miles south of Salt Lake City, Utah.
