

**Mike McCarthy**  
**Manager, Advanced Engineering Section**  
**Mobile Source Control Division**  
**California Air Resources Board**  
**mmccarth@arb.ca.gov**

Mike McCarthy has been involved in the development and support of OBD II regulatory requirements since 1993. His primary responsibilities include most activities involving OBD II implementation such as review and approval of manufacturers' OBD II system designs and revisions to the OBD II regulations. Other responsibilities include in-use testing of OBD II-equipped vehicles for compliance with the OBD II requirements.

Mr. McCarthy holds a B.S. degree in Mechanical Engineering from the University of California, Los Angeles.
