Biographical Sketch

Kent Pierce

Kent Pierce has worked for Georgia's Environmental Protection Division in the Air Protection Branch for the past ten years. He has served as the I/M Manager in the Mobile and Area Sources Program since 1998. His primary responsibilities include implementation and operation of the state's vehicle inspection and maintenance program in the metro Atlanta area.

Kent has a Bachelor's degree in Mechanical Engineering from New Mexico State University. He was born and raised in Pueblo, Colorado, and lived in Atlanta since 1991.
