

Peter Stuyck represents Service Publications with Volkswagen of America, the importer for Volkswagen and Audi vehicles in the US and Canada. He is responsible for distribution of service information to the aftermarket for both Volkswagen and Audi. Peter worked 10 years in new car dealers, beginning as a Painters' Helper and rising through the ranks to Service Manager, before joining Volkswagen of America in 1997. He is an ASE Certified Master Automobile Technician and is a former member of the Volkswagen Dealer Technician's Helpline.
